Well,
that's what I would like to know.
This... this is...? What the...
What happened?
Eleonora came and attacked you with a knife-----?
What a dangerous way to greet someone for the first time

Charlotte
I knew it This girl is ill!
Like I said this girl needs to be transfer into an institution and examined.
Wouldn't it be better to have a nurse look after her!?
I hear that this girl s father is also like her
I knew it, it s in the blood
nn
Whoa!
You you hit me
I knew it This girl is more important to you than me

Aa, that treasures room...
It's the monsters treasure...
So that's why nobody may touch it.
!?
Please wait!
Char-lotte, you're wrong!
I'm sorry...
It's because I'm the monster's daughter that I must protect it.
Ele-onora
She's weird!!
I knew it. This girl is strange.

I'm... not something weird.
I would like to thank you for being so very kind but,
Jack...
This kindness is going to kill me.
Like that time...
So for that reason, leave me alone
Even if the monsters living in the forest in the end rot together
there is satisfaction

The "Sacred Forest of Monsters" was structured from Fifteen-Century Italia. The legendary castle lord Orson Orsini had the duty to preserve the frightening images of the beasts.
His beautiful wife Julia Farneze, with her one ugly eye, seemed as if she didn't want them to stray too far from her. They say she entrusted her feelings to the monsters sealed eternally within this forest..."
These monsters did their best to do as instructed in their forest deep in the mountains.
but one must wonder what they've sealed there.
His sense of direction
Since then ------If I was to take Eleonora's utterance
If I was to take her literally
Oh no... I think I got lost---- somehow
Where is this place
--If I remember correctly Eleonora's room is
In the east wing
Here it is I think

Huh...?
Squeak
Marie-Therese
Is something wrong!?
!
!!

CLONK!
Wait
Come
Someone
Dead...!

That Voice---!?
What... was that scream just now?
?
I think it's coming from this way

It can't...
It can't... be!

ヒロくんズ

Hey, get a hold of yourself. Can't you breathe?
He's alive--!
COUGH COUGH!
That's cruel.
What, do you have a grudge...

Damn

Noir...
It seems the attacker made his escaped from this window and climbed down the tree
It is too late for Madame Beluju She was pierce through the heart by a kitchen knife
Pretending not to see
